TRAINING ANNOUNCEMENT

The Volunteer Command Post

Enhancing Leadership & Operational Efficiency

This program is designed to equip volunteer fire officers with the skills and knowledge needed to effectively manage command post operations during incidents. The course focuses on 3 key areas: Rules and Responsibilities of Volunteer Fire Officers, Command Post Operations, and Command Post Staffing. By the end of the program, participants will have a practical understanding of how to establish, staff, and operate a command post to ensure safety, efficiency, and successful incident outcomes in the volunteer fire service.

Date & Time

Tuesday May 20th, 2025 – 1900 Hours

Speaker

Chief David Lenart
Somers (CT) Fire Department

Chief David Lenart is the Fire Chief of the Somers, Connecticut Fire Department where he has served as their Chief since July of 2024. He is a previous Chief of the Derby, CT Fire Department and a former career Lieutenant of the Bridgeport, CT Fire Department. He was previously the Chief of the Storm Engine Co. Ambulance & Rescue Corps. He has a bachelors degree in public safety administration and is the creator and host of "The Volley Chief" podcast and social media pages.
