Fire Alarm System Plan Review Application – Commercial Systems For Commercial Fire Alarm Systems – Municipal or Local Systems

- **Do not submit any plans to the fire prevention office unless this application is completely filled out!**
- Plans will not be reviewed unless the drawings are marked with any existing fire alarm equipment and devices, as well as the proposed fire alarm system additions, alterations or modifications.
- Three (3) sets of complete plans, drawings & specifications must be submitted for a plan review to take place and prior to any plan approval.
